WELCOME TO PERFECT DEX

Located in Netherlands, we offer our investors access to high-growth investment opportunities in the Bitcoin mining since 2018.

Our data center creates conditions for work with the highest level and guaranteed quality of services we provide trouble-free operation of information systems, increasing reliability and security for the data center. Our collective desire to offer financial empowerment is driven by our values which include our arbitrage AI and integration with various exchange APIs ensure you can trade anonymously and securely.

ABOUT PERFECT DEX

Perfect Dex is a crypto currency company that enables low cost international transactions via the Internet removing unnecessary financial brokers from the equation.

Bitcoin has received a significant spike in interest over the past few months and is thought to be the crypto currency that has gained significance as an appropriate medium for transactions. However, due to the volatile nature of Bitcoin, investing in Bitcoin can be perceived as highly risky. Therefore, an alternative way to invest in Bitcoin is to invest in its production – mining and this is where we play a huge role in profit making.

Direction of Our Company

Our data center creates conditions for work with the highest level and guaranteed quality of services we provide trouble-free operation of information systems, increasing reliability and security for the data center. Coin production can be expensive and complex, particularly with regard to management of the equipment, work with electricity bills and maintain the latest algorithm update. However, with the development of a virtual no service, no installation and no expensive bills.

Bitcoin mining is very complex and technological process, good news we and our partners already did all the hard work for you. Simply choose your plan, pay for it and collect freshly baked bitcoins. .

WHY INVEST WITH US

EXPERTISE

We study the cryptocurrency market 24/7. Our work consists of doing fundamental and technical analysis, following trends and keeping up with all the latest developments.

TRANSPARENCY

Our client and financial administration is executed by CCL Group, constantly monitoring all the financial movements and total solvency of the fund.

SECURITY

To protect the fund's assets from unauthorized access, the vast majority of our crypto currencies are stored in air-gapped cold storage with multi-signature.

NO TAXES

When paying through bitcoin, taxes will not apply, since officially bitcoin is not a printed currency. This gives the opportunity to buy the good a bit cheaper.

SPREAD

By managing a diversified portfolio, consisting of more than fifty different types of cryptocurrencies, we are able to effectively reduce the volatility often associated with cryptocurrencies.

OUR MISSION

At Perfect Dex, our mission is to lead the future of digital asset mining through sustainable, efficient, and innovative bitcoin mining solutions. We strive to deliver exceptional value to our investors by leveraging cutting-edge technology, optimizing energy use, and maintaining transparency in all operations. Our commitment is to uphold the highest standards of integrity, security, and environmental responsibility while fostering long-term growth and wealth creation in the evolving digital economy.

OUR VISION

Our vision is to become a global leader in sustainable bitcoin mining, driving innovation and responsible growth while creating lasting value for our investors and contributing to the future of decentralized finance.

OUR EXECUTIVE GOAL

Our goal is to maximize returns for our investors by continually optimizing our mining operations, embracing eco-friendly practices, and staying at the forefront of technological advancements in the cryptocurrency mining industry
